

**For each literary device or type of figurative language listed, use the poems in the green or red literature books to find examples of each one.

Term	Page & Book	What does the poem say?	What does it mean?
Simile	317 / Green	Let them be as flowers, watered, fed, guarded, admired, but harnessed to a pot of dirt.	It means let them get what they need and be safe, but be restricted to a certain place.
